SUBJECT : Agency Comments on State-Defense Working Group Paper on Middle East Defense

1. I have combined your separate comments on the State-Defense draft of 6 June, circulated recently to you, into the draft comments attached. In view of the potential importance of this subject, the DCI Secretariate and I think that we should review this draft collectively.

2. Could you therefore, send an informed representative to a meeting in my office (room 343, Administration Building) on this Thursday, at 11:30?

3. Unfortunately, I still have only one copy of the State-Defense paper. If you wish to refresh yourselves on it, please call my office.
